Cemetery Arrangement Policy

I/We understand that it is our responsibility to make arrangements with a cemetery of our choice for internment/burial. This includes the opening and closing of a grave/crypt that has already been paid for or arranging to purchase one for the first time.

I/We also understand that even if I/we have a grave/crypt that has already been paid for, the cemetery usually requires an additional fee to open for burial and close.

For legal reasons, *Citizens Funeral Services, Inc.* does not contract with any cemetery or make any recommendations to buy or sell cemetery property or headstones or transact any business in that regard. All financial arrangements of the cemetery of my/our choice are my/our complete responsibility.
